Nestled in the grounds of The Drewton Estate, our two five-star holiday cottages are perfectly situated for you to explore the surrounding Yorkshire Wolds, North York Moors and East Coast.

Sympathetically renovated in 2009, The Dairy and The Old Cowshed offer peace and tranquillity of the surrounding countryside, and are equipped with all the modern comforts.

The arable estate is home to Aberdeen Angus cattle and you can enjoy walking the numerous footpaths and may catch sight of the magnificent red kite birds of prey. The Wolds Way runs close by and medieval Beverley with its minster and racecourse is just a fifteen minute drive away. The Yorkshire Heritage Coast and historic York are also easily accessible. There are numerous gourmet pubs and restaurants in the area including the estate's very own farm shop 'Drewton's' and it's cafe 'Kitchen' just a half mile away. The estate also offers on-site private spa & fitness facilities, tennis court and shooting by arrangement. The estate's kennel is available if guests wish to bring their dogs with them.
