WELCOME FROM KATIE

At Drewton's, everything begins with people.

Whilst we're often known for our farm shop, restaurant and beautiful events venue, what truly makes Drewton's special is the community behind it. From our wonderful team and loyal customers to the hundreds of local farmers, growers, producers and makers we work with, people are at the heart of everything we do.

As a family-run Yorkshire business, we're incredibly proud of our roots and the values that have guided us from the very beginning: quality, authenticity, warm hospitality and a genuine commitment to supporting local businesses. Today, we work alongside more than 370 Yorkshire suppliers, helping to showcase the very best food, drink and craftsmanship our county has to offer.

Over the years, Drewton's has grown and evolved, but our purpose remains the same: creating a place where people can come together. Whether you're shopping for local produce, enjoying lunch with friends, staying in one of our cottages, celebrating a special occasion, attending an event at The Manor Rooms or simply stopping by for a coffee and a chat, we want every visit to feel welcoming and memorable.

We believe the most successful businesses never stand still, which is why we're always looking for new ways to enhance the Drewton experience. From exciting seasonal events and new menus to improvements across the Estate, we're continually investing in the future whilst staying true to the values that have shaped us over the past 16 years.

Thank you for being part of our journey. Your support allows us to continue championing local producers, supporting our community and creating the experiences that make Drewton's such a special place.

Warm regards, Katie

THOUGHTFUL GIFTING, BEAUTIFULLY CURATED

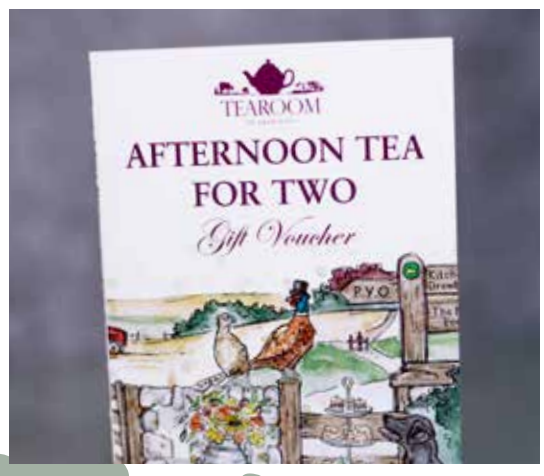

While Christmas may still feel some way off, autumn is often when thoughtful gifting and festive planning begin. Whether you're looking for a memorable corporate gift, a thank you for a valued client, a special present for a loved one or simply a way to treat someone who deserves it, our team is here to help create something truly personal. At Drewton's, we don't believe in one-size-fits-all hampers. Every gift is carefully curated using products we'd be proud to give ourselves, many sourced from the talented Yorkshire farmers, growers, makers and independent producers we have built relationships with over the years.

Our hampers can be as simple or as indulgent as you'd like, filled with artisan cheeses, local chutneys, award-winning pies, sweet treats, chocolates, preserves, wines, beers, spirits and festive favourites. Every hamper is assembled with care and beautifully presented, ensuring the recipient enjoys the experience from the moment it arrives. For those looking to create something completely bespoke, we encourage you to visit the Farm Shop and explore the shelves with our team. We love helping customers build the perfect gift and can recommend products to suit both your budget and recipient. For larger corporate gifting projects, we're always happy to discuss tailored ideas.

Choose from a range of presentation options including traditional wicker hampers, elegant gift trays, presentation boxes and practical jute bags. If you're struggling to decide, a **Drewton's Gift Voucher** is always a welcome surprise, from **Afternoon Tea for Two** and **Restaurant Dining Vouchers** to **monetary gift vouchers**.

Whether you're gifting one person or one hundred, we'll help you create something thoughtful, memorable and proudly Yorkshire.

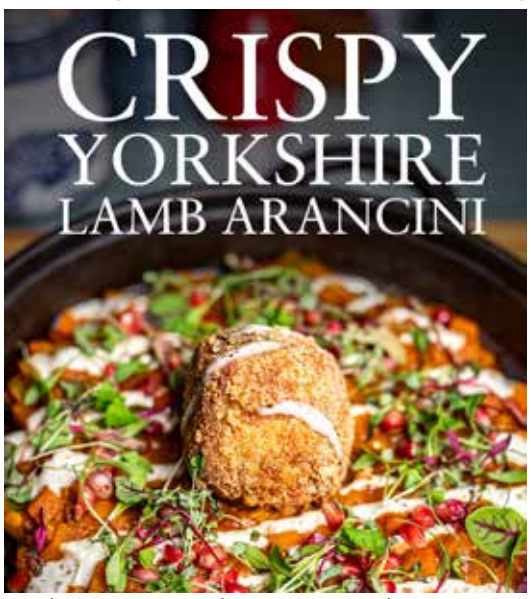

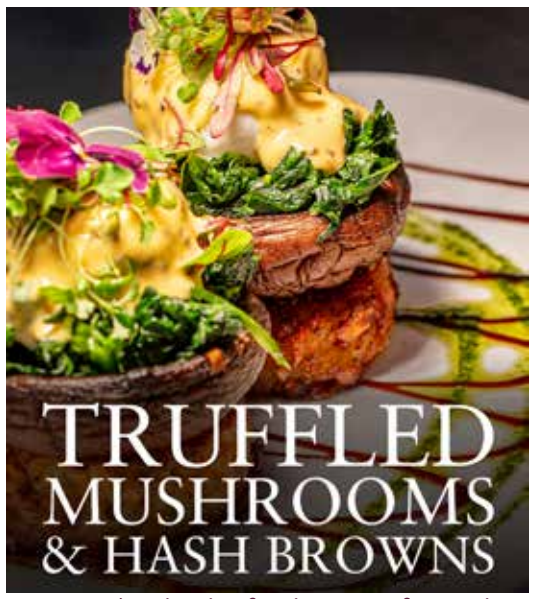

THE MENU: LOCAL, SEASONAL & MADE FROM SCRATCH

At Drewton's, we're passionate about creating food that's honest, seasonal and full of flavour. Working with hundreds of Yorkshire farmers, growers and producers, our menus celebrate the very best local ingredients, carefully selected and prepared by our talented team of chefs.

From brunches, lunches and afternoon teas to weddings, celebrations and events at The Manor Rooms, everything is created with the same attention to detail and commitment to quality. Stocks, sauces, soups, pies, pastries, cakes and desserts are all made from scratch in our kitchens, allowing every ingredient to shine.

Our chefs also create the award-winning pies, savouries and sweet treats you'll find in the deli, alongside bespoke menus for weddings, corporate events and special occasions.

And as autumn gives way to winter, our Restaurant begins its festive transformation. From **1st December,** guests can enjoy our specially created Christmas Menus, packed with seasonal flavours, festive favourites and the warm hospitality that makes Christmas at Drewton's so special. Whether it's a catch-up with friends, a family gathering or a festive treat after some Christmas shopping, we'll have a table waiting for you.

Great food starts with great ingredients, but it's our people, their skill, passion and pride, that make every Drewton's experience special.

AUTUMN FLAVOURS HAVE ARRIVED

As the countryside transforms into a patchwork of gold, amber and russet, autumn's rich and comforting flavours begin to fill our deli counters. This is the season of hearty lunches, cosy suppers and irresistible treats, and you'll find them all in abundance at Drewton's.

Our talented team of chefs and bakers are busy creating an ever-changing selection of seasonal favourites, from warming soups and comforting savouries to the sweet treats we're famous for. Whether you're grabbing lunch on the go, stocking up for a weekend at home or treating yourself after a stroll around the farm shop, there's temptation waiting around every corner.

Sink your teeth into a hot pulled pork sandwich, piled high with slow-cooked, flavour-packed pork, or choose from our range of gourmet deli sandwiches made with artisan breads and generous fillings. Alongside them you'll find freshly made quiches, golden sausage rolls, handmade Scotch eggs and our award-winning pies, all crafted in our kitchen using quality local ingredients.

Our deli counters are also brimming with colourful, seasonal salads inspired by the vibrant flavours of the Mediterranean ... creations packed with roasted vegetables, grains, herbs, fruits and bold dressings, perfect alongside our selection of Yorkshire cheeses, charcuterie, antipasti and freshly sliced cold meats.

For those planning a comforting supper at home, don't be surprised if you spot one of our delicious pots of rich, homemade gravy to accompany a steak pie, sausage and mash, or a traditional Sunday roast. It's these little extras that can turn a simple meal into something truly special.

And when it comes to sweet treats, we're unapologetically indulgent. The cake counter is packed with freshly baked favourites, from cream-filled éclairs and traditional vanilla slices to gooey brownies, traybakes and naughty-but-nice treats that are impossible to resist. Add in seasonal cakes, fruit crumbles, puddings and comforting autumn bakes, and you'll quickly understand why a visit to the deli rarely ends with just one purchase.

Whether you're searching for lunch, dinner, dessert or simply a little inspiration for the week ahead, our deli is full of delicious discoveries and seasonal flavours to savour.
